

The Bible-A-Month Club

No Bible yet leading a large church:

During a recent trip meeting refugees from a camp in Africa Hugh Henderson was shocked to find that many pastors, church leaders and members of congregations had no Bible. He met with one pastor who was leading a church of 500 people within a refugee camp in Tanzania who had no Bible and had never had one. When this pastor received a Bible he rejoiced and danced for joy. The cost of buying a Bible is only £3.00 but due to the incredible poverty experienced in the refugee camps even this is out of the reach of the churches. The **'Bible-A-Month Club'** is designed to help the poorest churches to be able to afford this most basic 'tool' of the Christian faith. The Bible remains a world best seller by far, please help provide one for the needy.

People eager to hear:

Around the world the church is growing faster than any of the major religions. Christianity remains the fastest growing religion but often the Christians are unable to afford to buy a Bible or other Christian study materials. With your support the **'Bible-A-Month Club'** will be able to make sure that new Christians as well as church leaders and others are given access to what for them is a treasure trove of materials in order that they can grow and develop in their faith more effectively. Please consider giving regularly to this effective project and see like minded Christian people equipped to serve God.
