CHILD SPONSORSHIP

Global Sponsor is the sponsorship arm of Mission International

Many children in the developing world are in need of help. Some are orphaned due to HIV/Aids and others through war or tragedy in their family, others are part of poor families who are unable to provide the funds to allow them to go to school or in some cases to feed them adequately producing a very uncertain future. Those of us who live in the developed world may not fully understand the situation in which these children find themselves but we may have the facility to be able to help them reach their dream of having a quality education.

Global Sponsor wants to make child sponsorship available to as many people as possible therefore we have provided a range of options so that you can support a child fully or partially. Sponsorship options are **£5, £10, £15 and £20 per month**. In return for your donation you will receive feedback from the child and have the knowledge that you have made it possible to release the potential in a child who otherwise would remain in poverty and hopelessness.

How does it work? (It costs £20/month to fully sponsor a child).

£20

By choosing to fully sponsor a child at £20 per month, you will provide for the child school fees, scholastic equipment, uniform, shoes, food, accommodation and general medical costs. Further to this a proportion of your sponsorship will provide a community project helping to support the whole community. This could be used to help purchase live-stock, helping to set up a health clinic or sponsor a teacher in a local school or a similar community development project. You will be the sole sponsor of the child and you will receive communications from your sponsored child.

£15

By choosing to sponsor at £15 per month you will join with another sponsor to meet the child's monthly requirements as detailed above. Both sponsors will receive communications from your sponsored child.

£10

By sponsoring at £10 per month you will join with up to two other sponsors to meet the monthly requirements of the child as detailed above. The sponsored child will communicate with all of the sponsors. (PTO)

£5

By sponsoring at £5 per month you will join with up to three other sponsors to meet the monthly requirements of the child as detailed above. The sponsored child will communicate with all of the sponsors.

Will all of my donation go to the child I sponsor?

As well as sponsoring a child we aim to provide support to the local community therefore a proportion of your donation will be put towards a community based project.

An 'acute sickness fund' will also be available to support the children in medical emergencies.

Administration Costs

Mission International is a voluntary organisation so there are no heavy administration costs to cover like staff salaries for example. Funding is already being secured to cover the basic costs of mailing, printing and stationary etc.

Raising funds

If you would like to run a fundraising event for us then let us know and we will provide you with some support materials. To get some ideas for fundraising then get in touch with us to talk it over.
