

Your Involvement

We are grateful to you for your involvement in the work we do, bringing support to some of the world's poorest people. Some one once said that 'Children are our future' and that is so very true. Locked up in each one of the children who receive support is great potential that you are now helping to unlock.

Further Information

Please take a few moments to view our website to find other information and ways in which you can become more involved in being an 'Ambassador for the Poor'.

GLOBALSPONSOR.ORG

CHILD SPONSORSHIP

'Global Sponsor' is the sponsorship arm of
'Mission International'

Who is Mission International?

Mission International is Christian charity based in Dundee, Scotland, UK. Our hope is that we are able to fulfil God's call to bring Good News and much needed support to those who try to break out of the poverty trap.

In essence this ministry started several years ago, when founder Hugh Henderson first visited Uganda, Africa. He was approached by a young man asking a challenging question which disarmed him, the young man asked: " Would you become an ambassador for the poor?" This question brought into focus the call and vocation on

Hugh's life and since then it has been enforced by many trips to Africa and other poor areas in the world.

Today we hope to recruit more Ambassadors for the poor around the world who will show God's love to the poor by both sharing and being Good News, offering skills and resources to 'make this world a better place'.

Mission International
"Making this world a better place"

Child Sponsorship

Child Sponsorship is a major part of what we do since it is probably the most effective way to bring an all-round support strategy into the lives of needy children, their families and communities. Thank you for joining with us in what ever way you can, as you help us change the future for those who at present have no hope.

How does it work?

Below we have detailed different options depending what level of support you can provide, whether it's £5, £10, £15 or £20. (It costs £20/month to fully sponsor a child).

£20

By choosing to fully sponsor a child at £20 per month, you will provide for the child school fees, scholastic equipment, uniform, shoes, food, accommodation and general medical costs. Further to this a proportion of your sponsorship will provide a community project helping to support the whole community. This could be used to help purchase live-stock, helping to set up a health clinic or sponsor a teacher in a local school or a similar community development project. You will be the sole sponsor of the child and you will receive communications from your sponsored child.

£15

By choosing to sponsor at £15 per month you will join with another sponsor to meet the child's monthly requirements as detailed above. Both sponsors will receive communications from your sponsored child.

£10

By sponsoring at £10 per month you will join with up to two other sponsors to meet the monthly requirements of the child as detailed above. The sponsored child will communicate with all of the sponsors.

£5

By sponsoring at £5 per month you will join with up to three other sponsors to meet the monthly requirements of the child as detailed above. The sponsored child will communicate with all of the sponsors.

Will all of my donation go to the child I sponsor?

As well as sponsoring a child we aim to provide support to the local community therefore a proportion of your donation will be put towards a community based project.

An 'acute sickness fund' will also be available to support the children in medical emergencies.

Administration Costs

Mission International is a voluntary organisation so there are no heavy administration costs to cover like staff salaries for example. Funding is already being secured to cover the basic costs of mailing, printing and stationary etc.

Raising funds

If you would like to run a fundraising event for us then let us know and we will provide you with some support materials. To get some ideas for fundraising then get in touch with us to talk it over.

More Sponsorship opportunities

You may be interested to know that Global Sponsor operates a range of sponsorship programmes within the developing world.

Mighty Meals

One initiative which is very popular with donors is called 'Mighty Meals'. This project allows a child within a poor community to be fed each day whilst at school for an incredible £25 per year. The simple meal that they receive at lunch time has a number of benefits. Firstly it takes away the child's hunger pangs and allows them to concentrate more effectively on their school work. Secondly poorly fed children fall prey to tropical and childhood diseases and so a balanced diet allows them to remain healthy whilst at school allowing them to take full advantage of their education.

Scholastic materials

Due to the limited income of poor families within the developing world, many children go to school without having the required materials to allow them to participate fully in the class. Global Sponsor supports such children by providing them with jotters, pencils, and books. For a one-off donation of only £3 or regular of £3 a month we can make sure children who go to school from poor families get the best start possible.

Our website
