## CHILD SPONSORSHIP

Global Sponsor is the sponsorship arm of Mission International

### Support Children suffering from Leprosy:

India's children remain at risk from leprosy even today when this disfiguring and destructive disease is easily treatable. However for those who are scarred by the untreated effects of leprosy life is incredibly hard. Rejected and alone children have little hope, but when someone cares for them there is hope of a better life and a better future. To sponsor a child with leprosy and give them the future they long for please complete and return the form below.

Global Sponsor wants to make child sponsorship available to as many people as possible therefore we have provided a range of options so that you can support a child fully or partially. Sponsorship options are **£5, £10, £15 and £20 per month**. In return for your donation you will receive feedback from the child and have the knowledge that you have made it possible to release the potential in a child who otherwise would remain in poverty and hopelessness.

(Please circle appropriately) I want to Fully sponsor a child at £20 per month.
